

Brought to you by:
the Emergency Preparedness Bureau at the Massachusetts Department of Public Health and
the Center for Public Health Preparedness at Harvard School of Public Health

CHEMPACK & YOU

Find out what your role and responsibilities are when a nerve agent incident unfolds. First responders, hospital personnel, public health, and state emergency personnel are invited to enroll in a CHEMPACK training program.

For more information about the program and continuing education, please call 617-994-9828
